MEMORANDUM

TO: Local Attorneys
FROM: Judge M. Keith Siskin
DATE: September 30, 2013
RE: "Flex Docketing"

As many of you know, our Division III website has been up and running for about two months. Now, thanks to the Rutherford County Office of Information Technology, we are able to update the website at any time, directly from my Chambers. This new ability allows us to post and maintain the most current Division III dockets online on a daily basis.

As a result of this technology, I am pleased to introduce "flex docketing," whereby newly-available Court dates will be immediately posted on the Court's website, and made available for scheduling by attorneys on a first-come, first-serve basis. These "flex" dates may be used for any type of hearing, and may be reserved by contacting my Judicial Assistant, Sandra Allen. Of course, I will not be able to hear cases that are assigned to another Judge, absent his consent.

I encourage those of you seeking early Court dates to check our website (www.rutherfordcountyttn.gov/judgesiskin) frequently for my latest docket openings. As always, my door is open to everyone; please stop by if you have any questions or concerns about the operation of the Court.
